Dear Sir:

The document set forth on the enclosed Form PTO/SB/08a/b was cited in a Canadian Office Action and has not yet been cited in the present application. It is understood that the Office is under no obligation to consider this document at this time; however, to complete the record it is submitted. A copy of the document is also enclosed.

While applicants believe that the document is in no way destructive of patentability of the pending claims, in the interest of completeness, it is submitted herewith.

In the unlikely event that the transmittal form is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief (such as payment of a fee under 37 C.F.R. § 1.17 (p)) is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petition and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing **381092000720**.

Dated: October 5, 2007

Respectfully submitted,
